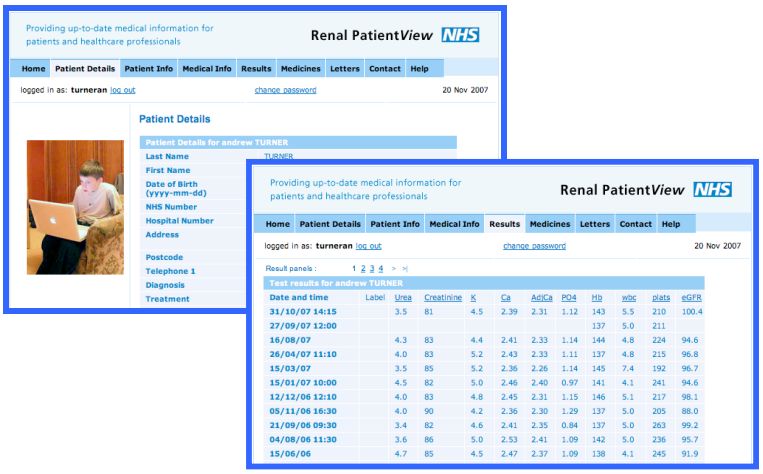
Renal PatientView USERS CONFERENCE

Tuesday 7th September 2010

Manchester Central Conference Centre

For Renal staff, Patients, and all interested



- Over 10,000 users in 2010, logging in on average twice each month
- To see their live test results and information on the Internet
- A pioneering project driven by the UK Renal community

- Uptake, impact, and future
- Updates, masterclasses, 'What I'd like to see'
- Parallel patient and staff sessions in the afternoon
- Free registration but numbers limited, so

Express interest by emailing renalreg@renalreg.com

Please tell us your unit and who you are (e.g. Nurse, Patient, Doctor, Admin)
