

## **Nephrology Specialty Certificate Exam Course**

**Clinical Education Centre, Leicester General Hospital**

**Saturday 25<sup>th</sup> February 2012**

Dear Colleague,

We wish to draw to your attention the forthcoming preparatory Course for the Specialty Certificate Exam in Renal Medicine. This will be the forth 1-day revision course organised by Consultants and Senior Specialist Registrars from the North West and East Midlands focussed around MCQ scenarios to highlight areas likely to be tested in the specialty exam.

The course is taught by Consultant Nephrologist speakers from the North West and East Midlands Deaneries and is a non-profit making venture.

We would be grateful if you could pass information about this Course to your StR Colleagues, since not all trainees will be Renal Association members.

For further information on the program and to book onto the course please contact Jane Colbourn ([jane.colbourn@uhl-tr.nhs.uk](mailto:jane.colbourn@uhl-tr.nhs.uk) Tel: 0116 258 8013)

With Best Wishes,

Course Organisers:

Jonathan Barratt (East Midlands)

Mike Venning (North West)
