RENAL PHYSIOLOGY FOR THE CLINICIAN

Fluids, electrolytes and acid-base

11-13 April 2012

The Royal Free Hospital, Pond Street, London NW3

This course aims to integrate physiological principles with day-to-day clinical practice. It will feature formal, introductory lectures each day, and clinical case-based and interactive discussions with our faculty designed to illustrate and build upon the day's presentations. It is intended for Specialist Registrars in Nephrology, and will also be of interest to more senior General (Internal) Medicine SPRs and SPRs in Intensive Care Medicine. Consultant Nephrologists and General Physicians with an interest in fluid and electrolyte disorders are welcome to attend as a "refresher" course.

The Guest Faculty will include speakers from Yale University School of Medicine and Georgetown University, USA.

CPD credit to be confirmed by the Royal College of Physicians of London

Registration opens 5 December 2011
