

ADVANCED NEPHROLOGY COURSE

JANUARY 2011

CORPUS CHRISTI COLLEGE , OXFORD

DRAFT PROGRAMME / FORMAT

We have decided to change the format of the ANC with the introduction of:-

- residential course over 3 days: accommodation included for Wed and Thurs nights with option to stay Tues and Friday as required
- Mixed format of 30 minute lecture sessions; concurrent workshop sessions and debates
- 4 Workshops will run in parallel and the delegates will rotate through all sessions (45 mins per session) with the tutor(s) repeating 4 times
We will require 4 rooms for these sessions; 3 breakout and main hall.
